

"Landslide," by Fleetwood Mac Lyrics

I took my love, took it down ?
 I climbed a mountain and I turned around + +
 And I saw my reflection in the snow-covered hills +
 'Til the landslide brought me down -

Oh, mirror in the sky, what is love? +
 Can the child within my heart rise above? +
 Can I sail through the changing ocean tides? +
 Can I handle the seasons of my life? +

lost child?
 - optimism
 - wonder
 - awe

Well, I've been afraid of changing -
 'Cause I've built my life around you +/-
 But time made you bolder +
 Even children get older +
 And I'm getting older too +

Well, I've been afraid of changing
 'Cause I've built my life around you
 But time made you bolder
 Even children get older
 And I'm getting older too
 Oh, I'm getting older too

I take my love, take it down
 I climb a mountain and turn around
 And if you see my reflection in the snow-covered hills
 Will the landslide bring you down?
 And if you see my reflection in the snow-covered hills
 Will the landslide bring you down, oh, oh?
 The landslide bring you down

The song, "Landslide," by Fleetwood Mac is about the changes we go through in life. The song reminds us of how fleeting life is, implores us to focus on what is important, to find courage to live life with wonder and joy, to live fully in the moment, to love those we have been given and not to let the events in life bring us down.
